

Solidarity Statement Against Police Brutality at Jamia Millia Islamia University and Aligarh Muslim University

We, the undersigned, condemn in the strongest possible terms the police brutality in Jamia Millia Islamia University, New Delhi, and the ongoing illegal siege and curfew imposed on Aligarh Muslim University, Aligarh. On 15th December 2019 Delhi police in riot-gear illegally entered the Jamia Millia campus and attacked students who are peacefully protesting the Citizenship Amendment Act. The Act bars Muslims from India's neighboring countries from the acquisition of Indian citizenship. It contravenes the right to equality and secular citizenship enshrined in the Indian constitution.

On the 15th at JMIU, police fired tear gas shells, entered hostels and attacked students studying in the library and praying in the mosque. Over 200 students have been severely injured, many who are in critical condition. Because of the blanket curfew and internet blockage imposed at AMU, we fear a similar situation of violence is unfolding, without any recourse to the press or public. The peaceful demonstration and gathering of citizens does not constitute criminal conduct. The police action in the Jamia Millia Islamia and AMU campuses is blatantly illegal under the constitution of India.

We stand in unconditional solidarity with the students, faculty and staff of Jamia Millia Islamia and Aligarh Muslim University, and express our horror at this violent police and state action. With them, we affirm the right of citizens to peaceful protest and the autonomy of the university as a non-militarized space for freedom of thought and expression. The brutalization of students and the attack on universities is against the fundamental norms of a democratic society.

As teachers, students, scholars and members of civil society across the world, we are watching with extreme concern the situation unfolding at Jamia Millia Islamia and Aligarh Muslim University. We refuse to remain silent at the violence unleashed on our colleagues (students, staff, and faculty) peacefully protesting the imposition of a discriminatory and unjust law.
